Larry Brunfield asked me to design this home. He and his wife were seeking a design with a large rear lanai to overlook their scenic back yard, a den directly connected to the kitchen for a cozy warmth, and a living room not too far away. Larry is an avid Harley-Davidson enthusiast and wanted to ensure his favorite possessions were properly garaged.....not a problem in this home. Larry was a large guy and needed a large bathroom, large master closet, large master bedroom, 3 guest bedrooms with one acting as a home office. Larry was very happy.
