

This custom Mediterranean style home designed for Mrs Steen is a 4 bedroom, 3 bath, 2 story home with cathedral ceilings in the great room and level 10' ceilings throughout the first floor. Gourmet kitchen with walk-in pantry, home office/study, and separate laundry room with mud area allow for unparalleled convenience while the garden bath in the master suite with his/hers closets and vanities, Jacuzzi tub, and walk-in shower allow you an oasis from the everyday. Spacious covered lanai on the rear of the home allow for entertaining while private lanais on the master suite and upstairs rear bedroom allow for a personal sanctuary. Trim details such as archways, columns, art niches, and upscale moldings complete the look of elegance.
