

Landscaped atrium/courtyard and sweep entry garage entice you from the start while the 12' volume ceilings in the family, dining foyer, breakfast, kitchen, and rear covered porch only add to the opulence. In addition, the volume 9' ceilings in the remote master suite, garden bath, living room, inside laundry, and spare bedrooms and baths are dressed to impress while the dual vanities and walk-in closets showcase the luxurious garden tub and stand alone shower.
